

**Title:** Web Applications Developer Intern (10 weeks – Summer 2012)

**Location:** Cambridge, MA / New York, NY

**Compensation:** Competitive. Housing subsidy and transportation allowance provided.

**Eligibility:** Undergraduate juniors and master's degree students

**To Apply:** Submit resume online at [www.nextjump.com/applynow](http://www.nextjump.com/applynow). One page resume preferred.

**Job Description:**

Do you live and breathe technology, take pride in your accomplishments, and enjoy working with talented engineers? We seek inspired students interested in designing, architecting and coding cutting edge web 2.0 applications in a fast-paced agile development environment.

During the 10 week summer program you will work closely with product managers and team members to design, develop, test and deploy both internal and mission-critical customer-facing applications. If you are ambitious, enjoy a fast-paced entrepreneurial environment, and are looking for the opportunity to participate in the project strategy, design, and implementation of our products, then we may be a perfect fit for you.

**Requirements:**

- Experience developing in PHP
- Strong knowledge of object oriented programming
- JavaScript, AJAX, AJAX Frameworks, and DOM technologies
- HTML and CSS
- MS SQL Server, My SQL, or related RDBMS
- Experience creating web applications
- Excellent organizational and communication skills
- High-degree of creativity and strong analytical mindset
- Pursuing BS or MS degree in CS, CSE, HCI, IS, ECE or related field

**Preferred:**

- XML/XSLT experience
- Experience developing in Java or C++
- Zend Framework
- Linux/Unix environment proficiency
- UML knowledge
- Familiarity working with open source IDEs
- Experience with revision controls systems like SVN

**Company Summary:**

With one of the largest Internet engineering teams on the east coast, Next Jump has quietly created a world class, next generation shopping platform adopted by MasterCard and most Fortune 1000 companies. The recently launched OO.com, with valuable, proprietary WOWPoints™ for every transaction, is the company's first consumer shopping site. Next Jump's eco-system of blue-chip brands and high-value shoppers have made it the loyalty and rewards program of choice for Dell, Hilton Hotels, and numerous others, as well as similar programs for membership organizations like AARP. Next Jump was founded by Charlie Kim, CEO and is based in New York City.
